

VEHICLE INVENTORY MANAGEMENT GUIDE

Use this guide to add a new vehicle to franksautocredit.net along with making edits to existing vehicles and marking vehicles as sold.

ADDING A NEW VEHICLE TO THE INVENTORY

1. Visit <https://www.franksautocredit.net/dealer-login/> (bookmark this link but it is also at the lower right corner of the bottom of the website)
2. Enter the following UN and PW on the left-side form and click 'Login':
 -

3. To add a new vehicle, click the button that says '+ Add Car'

Frank's Auto Credit

Dealer
sales@franksautocredit.net

My Subscriptions

Profile

4. Fill the following fields that are highlighted below.

○ **Make note:**

- i. Some fields are populated by typing manually. Others, you'll select an option from the dropdown
- ii. Not all fields are required, just fill out those highlighted below.
- iii. When adding images, I recommend adding 2 images no larger than 2mb each. Use a file name template like 'Year Make Model For Sale in CT-1.jpeg' for SEO purposes (example: '2013 Toyota 4Runner For Sale in CT-1.jpeg').

Add Car

Home >> Add Car

Add Vehicle Details

Name the vehicle: Year Make Model ▾

2013 Toyota 4Runner

If the title is not entered then it will be auto-generated using Year, Make, and Model.

5. Once you hit 'Submit Details' you'll get a confirmation message like the one below. This completes the process of adding a new vehicle to the website.

EDITING AN EXISTING VEHICLE

1. Under 'My Items' you'll find a list of vehicles you've added. Click 'Edit' on the vehicle you want to change. Upon doing so, you can add/remove/update any information you'd like. Click 'Update Details' to submit the change live on the website.

MARKING A VEHICLE AS SOLD

1. When a vehicle is sold **do not** delete it from 'My Items' simply mark the vehicle as 'Sold' under the vehicle information section. Once you mark it as sold, click 'Update Details' and the vehicle will be removed from the inventory.
